

## Motorcycles and Equipment

- You must ride a motorcycle appropriately, if not you will be provided a coach to help teach and train you.
- If you have any questions regarding your motorcycle and equipment, please contact us and we'll be happy to provide you with guidance.

## Motorcycle Requirements

1. All bikes must pass technical inspection prior to admittance to the track. If your bike does not pass tech inspection, you will not receive a refund. It is your responsibility to have your bike prepared prior to riding on the track.
2. Tires and brakes must be in good condition. Tires should be at least 50%+ of new condition. Any tires that are bluing from excessive wear will be disallowed.
3. All glass, headlight, turn signals, and plastic lenses must be taped over or removed. Side mirrors must be removed for the advanced group and at least taped over for all other groups.
4. All machines must have an operational handlebar mounted kill switch/button and self-closing throttle in good working condition.
5. Advanced and Intermediate group riders must use water, water wetter or a non-ethyl glycol based anti-freeze/coolant. Approved Poly Glycol brands are: Evans, 7th Gear, Liquid Performance, and Engine Ice. Automotive ethyl glycol based coolants are not allowed.
6. All valve stems must have caps.
7. Wheel balance weights must be well secured and duct taping is required.
8. License plates must have bolts taped or be removed.
9. It is advised that riders safety wire oil drain plugs, oil filter and oil fill caps. Intermediate and Advanced riders must have a minimum of RTV or Silicone dab on the oil drain plugs and oil filter.  
\*\* Please note that if you spill oil on the track your day is over.

## Rider Gear Requirements

1. Damage free BSI,ECE-2205, DOT or SNELL full-face helmet with face shield.
2. Riding boots that fully cover the ankle.
3. Gauntlet style gloves with full wrist coverage.
4. One or two piece leathers. Two piece leather suits must zip together for Novice, Intermediate or Advanced groups. Ballistic nylon suits such as Joe Rocket, AeroStitch etc. are acceptable in the Novice ONLY. They can be one piece or two piece that zip together with 50% zipper contact, reinforced and padded shoulders, elbows, hips, and knee areas. No chaps.
5. Advanced and Intermediate group riders are required to wear back protectors. Soft back pads sewn into suits are not enough.
6. NYST also asks that you consider the use of a chest protector.
